

CSPC - COSMETOLOGY - SPECIALIZED COMBINED

CSPC 0266 Facials Specialty

Clock Hours: 0

Lab Fee: Yes

This course prepares students to enter the workforce as licensed facial/skincare specialists working in day spas, retail merchandising, or as sales representatives for cosmetics companies. The laboratory portion of the course provides salon experience in all areas of skin care. Diagnostic and consultation techniques are used. Facial laboratory practice and assessments enable students to achieve licensing as facial/skincare specialists in the state of Florida.
