

GLY - GEOLOGY

GLY 2010 Introduction to Physical Geology

Credit Hours: 3

General Education Category: Natural Science Core Course, Natural Science General Ed

Using the scientific method, critical thinking skills, data analysis, this course will examine the fundamental processes of the earth system, composed of an atmosphere, hydrosphere, cryosphere, lithosphere, biosphere, and exosphere through time. The course will also explore interactions between these spheres, including critical analysis of scientific theories and emphasize lithospheric connections with humanity. This is a state-designated general education core course.
