## EFSC Campus Bookstores

The EFSC Bookstore is your one-stop shop for new, used, rental, and electronic textbooks, as well as college supplies, clothing, graduation regalia, and gifts.

### Important Location Details and Course Material Information

EFSC Bookstores are open on the Cocoa, Melbourne and Palm Bay Campuses. Additional walk-in hours are offered at the beginning and end of the term to facilitate textbook pick-up and rental returns.

There is no bookstore on the Titusville Campus. If you need books for a Titusville Campus course, those materials are carried at the Cocoa store and also online.

### Titan First Day Ready

EFSC uses a course material delivery model called *Titan First Day Ready*, in partnership with the EFSC Bookstores powered by Barnes & Noble College. This program ensures students receive required course materials before the first day of class.

Key features include:

- Physical books are provided on a rental basis, packaged for convenient pickup at any campus bookstore or shipped to the student's home.
- Digital materials are delivered directly through the *Canvas Learning Management System* (LMS).
- Materials are funded through a per credit hour charge listed in the [fee schedule](#) for all for credit courses.
- The program is estimated to save students 35–50% each term compared to purchasing materials individually.
- Enrollment is automatic for eligible courses, with an opt#out period each term as defined on the [Titan First Day Ready web](#) page.

Not included in Titan First Day Ready:

- Career and Technical Certificate (CTC) / clock#hour workforce programs
- Continuing education
- Non#credit programs
